

A DIFFERENT APPROACH TO  
**TECHNOLOGY RECRUITING**  
FROM AN EXPERIENCED  
TEAM YOU CAN TRUST.

# RETAINED SEARCH

## EXPERIENCED

Work with the industry's most experienced technology team.

## DEDICATED

Recruiting resources that will find qualified candidates. Fast.

## SPECIALIZED

Work with a specialized team that knows your business.

### JULIANNA PRESLEY

As M Force's Director of Technology recruiting, Julianna has more than 20 years of recruiting experience in both agency and corporate settings.

### ANDY PRICE

Andy brings more than a decade of IT infrastructure, help desk, support and management experience to the recruiting industry.

### CHRIS GOUGE

Chris is an experienced recruiter with a background in team building, employee training and customer service.

### TIM WALKER

Tim serves as M Force's Marketing Manager and supports retained search engagements through targeted marketing and advertising campaigns.

## WORKING WITH M FORCE

Founded in 2007, M Force Staffing specializes in information technology, engineering, professional services and manufacturing placements.

Retained search is a unique opportunity to work directly with M Force's experienced team of recruiters. With decades of combined experience at your disposal, you're sure to find the perfect employee to help your business grow.

When you choose retained search, you'll have the exclusive effort of an experienced M Force recruiter until your job is filled. This includes access to M Force's exclusive recruiting tools including:

- ▶ proprietary database of qualified candidates
- ▶ paid job boards and sponsored postings
- ▶ email marketing and referral networks
- ▶ targeted digital marketing campaigns and custom branding

## WHY CHOOSE RETAINED SEARCH?

Utilizing M Force's experienced team for a retained search could be the perfect solution for your hiring needs if you want to:

- ▶ see qualified candidates quickly for a permanent position
- ▶ have a guarantee that your position will be filled
- ▶ avoid traditional staffing models and fees
- ▶ build your brand or attract employees with targeted marketing
